ABOUT THE ORGANIZATIONS

SOUTH PLAINS KIDNEY FOUNDATION

The South Plains Kidney Foundation of West Texas (SPKF) is the leading health organization in this area, dedicated to the issues of all renal diseases related to the kidney and urinary tract. The foundation helps promote awareness and conduct programs in professional education, patient and community services, public education and supports organ donation. SPKF provides financial help to patients in need. Primary assistance is given for: Transportation to dialysis treatments, nutritional supplements, food, medication assistance and emergency assistance.

AUGIE'S QUEST

Augie's Quest is determined to find a cure for amyotrophic lateral sclerosis (ALS), which affects some 5,000 Americans each year, and many more abroad. With ALS, a person loses ability to control movement. The brain remains perfectly normal, eventually trapped in an unusable body. Life expectancy is generally 5 to 10 years from diagnosis.

EMPLOYEE PARTNER CARE FOUNDATION

The Employee Partners Care Foundation (E.P.C.F.) is a 501(c)3 fund established to help Employee Partners of ClubCorp's family of clubs in need of financial assistance in times of crisis. Since 2007, the E.P.C.F. has granted over \$1.8 million in assistance to Employee Partners and their families.

THE TEXAS TECH CLUB

The Texas Tech Club is where present and future leaders connect to build relationships, enrich lives and strengthen our community in the great tradition of Texas Tech University. Offering both a place for high-quality networking and fine-dining with great views of the city.
